A screenshot of the Automation License Manager (ALM) software interface. The window title is "Automation License Manager". The menu bar includes "File", "Edit", "License Key", "View", and "Help". The toolbar contains icons for file operations and a search field. The left sidebar shows a tree view of the computer's drives: "My Computer", "Local Disk (C:)", "Local Disk (D:)", "Local Disk (E:)", "Local Disk (T:)", and "Web License Key Down". The main area is titled "License key - Local Disk (T:)" and displays a table of license keys. An "About" dialog box is open in the foreground, showing the "Automation License Manager" logo and version information: "Version 3.0 + HF1" and "Copyright 2003-2006 Siemens AG. All Rights reserved." The table in the background has columns for Status, Family, Product, Version, Number, Order number, Standard license, and License type. The status of all licenses is checked. The bottom status bar shows "732 License key(s) selected" and "Unknown".
